No payment is required prior to or during the review, except the non-refundable Materials Deposit stated in Article III.

- 2.1** The trigger event for the payment obligation is the official PRC online verification or release of results showing a passing rating on the RECLEX written examination, regardless of Revalida scheduling.

The Reviewee's entitlement upon non-passage shall be one (1) free retake review cycle under the same Pass-First arrangement, subject to the Reviewee's continued compliance with program obligations, to be exercised within twelve (12) months of the non-passing result.
